

It's never too late to do this...

At Parke Vermillion Adult Ed, we've been privileged to help hundreds of our friends and neighbors (ages 16 – 60+) reach their goal of finally earning a high school diploma.

We've also helped area high school graduates pursue the career of their dreams by enrolling them in classes for job certifications.

We do all this at no cost to area residents who enroll with us, attend class regularly and work to meet qualifications to pass certification exams.
